EVERY FAMILY HAS A STORY, WELCOME TO OURS

Strauss Naturals® and its traditional products are the result of eight generations of practice in development, production and application of herbal remedies. Most of our products have been in use for centuries, having been passed down through generations of the Strauss family.

The chain was almost broken when my father took a career in heavy industry instead of applying the herbal training he received from his grandmother. However, fate intervened and at age 57, Dad had a serious heart attack. He couldn't walk, or sleep lying down, and was told he would die without surgery and drugs. Thankfully, he remembered a better option. When I was 15, Dad had me assemble, process and modify a collection of herbs until he was satisfied with the taste. This formulation restored Dad's health in less than a year and convinced us that we had to return to our family tradition.

Today, our remedies are distributed worldwide, having achieved global recognition primarily by word of mouth from satisfied customers. Strauss Heartdrops®, our flagship product, is used by thousands of new customers each year and this number continues to grow.

Along with this natural formula for the heart and circulatory system. Strauss Naturals® manufactures 9 herbal remedies. A sincere effort and commitment are made to ensure that our customers return to and maintain their good health. Balance and proportion are key in producing remedies that are not only effective, but in many cases, fast acting. We have been helping people regain their health for decades and feel privileged to represent the result of generations of experience, and our family's unique understanding and approach to making herbal formulas.

“Everything our bodies need is provided by nature”

Jim Strauss, Founder

Strauss formulas have been available for over 40 years and are well known for being so effective you don't need to take them forever.

Support a healthy cardiovascular system!

CARDIOVASCULAR SYSTEM SUPPORT

Support a healthy immune system and stomach function!

IMMUNE & RESPIRATORY SUPPORT

Support a healthy urinary system!

URINARY SUPPORT

Support and manage Menopause and Menstruation with multi-symptom relief!

HORMONAL SUPPORT

Strauss Heartdrops®

Helps maintain a healthy
cardiovascular system.*

**No symptoms? Some people have silent
Coronary Heart Disease with no prior signs or symptoms.**

Doctors, especially Cardiologists maintain that “you are only as old as your arteries”. They know that arterial aging wears out your brain, heart, kidneys and other organs as well as causing damage to hearing and eyesight.

Did You Know?

Heart disease is the leading cause of death for North American women accounting for 1 in every 4 female deaths, killing more women than all forms of cancer combined. Heart disease is also the leading cause of death among young women. No longer a “man’s disease,” more women than men now die of heart disease. Only 54% of women recognize that heart disease is their #1 killer. Almost 65% of women

who die suddenly of coronary heart disease have no previous symptoms. And over 90% of women have one or more risk factors for developing heart disease.

Medicinal Ingredients: European mistletoe leaf extract 17.9 mg, Hawthorn fruit extract 35.8 mg, Hawthorn leaf and flower extracts 2.1 mg, Motherwort herb top extract 3.1 mg, Cayenne fruit extract 2.4 mg, Aged garlic bulb extract 435.5 mg, Bilberry leaf extract 1.9 mg, White willow bark extract 1.3 mg. **Non-Medicinal:** water, ethanol, cinnamon flavoring for Cinnamon only.

Strauss Heartdrops®

Helps support a healthy cardiovascular system.*

The Strauss family of herbalists dating back 8 generations has created a world renowned heart formula that helps support you with every heart beat. That's around 72 times a minute, 100,000 times a day, and 3.6 million times a year.

Your heart is one hard worker!
And so are Strauss Heartdrops®.

Doctors, especially Cardiologists maintain that “you are only as old as your arteries”. They know that arterial aging wears out your brain, heart, kidneys and other organs as well as causing damage to hearing and eyesight.

Clasp your hands together.

That's the size of your 9-12 ounce heart.

Your heart is like two pumps in one: the right side receives blood and pumps it to the lungs. The left side does the opposite, it receives blood from the lungs and pumps it out to the body.

Our flagship formula for cardiovascular support, combines eight synergistic herbs and a proprietary process that remains unduplicated. Trust the original.

Aged Garlic Extract (AGE), Hawthorn fruit, and European mistletoe leaf are used to support a healthy cardiovascular system.*

Comes in Original and Cinnamon Flavor.

Strauss Cardio Support Drops™

Helps support cardiovascular health in adults.*

Cardiovascular health requires good heart rhythm. The master pacemaker in our heart sends electrical signals that stimulate the cardiac muscle and the heart to expand and contract to pump oxygenated blood throughout your body.

Don't skip a beat, pick up some today!

When you think of your future, think of your cardiovascular system (heart and brain), because they go together. Just like Cardio Support Drops™ and a healthy lifestyle.

Did You Know?

*There are several types of irregular rhythms known as arrhythmia or irregular heartbeat, including:

- Bradycardia (less than 60 beats/min)
- Tachycardia (greater than 100 beats/min)
- Atrial Fibrillation (characterized by a disorganized, irregular heartbeat)
- Sometimes intermittent arrhythmias can develop in cases of chronic stress.*

"These work!!!"

My resting heart rate is usually about 85... I'm a nervous and easily stressed person.

My heart rate after a couple weeks of usage is between 75-80."

— Alina

How can Cardio Support Drops™ help?

- Skullcap Herb Top used traditionally to help support a strong heart
- Hawthorn Flower, Fruit and Leaf is used traditionally to strengthen and invigorate heart and circulatory function.*
- Indian Sarsaparilla Root is used traditionally as an anti-inflammatory and has cardio tonic, diuretic and anti-bacterial properties.*
- Peppermint Leaf is used traditionally to relax tension, block inflammation and soothe muscle and nerve pain.*
- European Mistletoe Leaf is used traditionally as a vagal nerve tonic to aid in strengthening a weak pulse.*
- Comes in Spearmint Flavor.

Supplement Facts – Serving size: 3 ml (0.10 fl.oz.)

Amount per serving: 3 gm **Proprietary blend:** 3.0 g extracts of: Hawthorn fruit, Skullcap herb top, Indian sarsaparilla root, Peppermint leaf, European mistletoe leaf, Hawthorn leaf & flower, Cayenne fruit **Other ingredients:** Water, Ethanol, Glycerine, Spearmint flavoring

Recommended Dose: take 1 ml to 3 ml, 3 times per day

Strauss Kidney Support Drops™

Used to help support healthy kidney and urinary tract function in adults.*

Your kidneys are key organs that help blood maintain healthy pressure levels. When functioning properly, kidneys constantly filter waste and extra fluids from the blood.

Gravel Root

Did You Know?

Good health depends on maintaining healthy blood pressure levels.* The average kidneys filters around 45-50 gallons of blood a day to get rid of wastes, acids, toxins and extra fluid (water weight) in your body. Kidney Support Drops™ helps support healthy kidneys, so they can help support you.*

Kidneys that are healthy and function properly can do their part to help maintain already healthy blood pressure.* Congested, damaged, or infected kidneys can lead to excess water retention and edema.

High blood pressure (HBP), also called hypertension, is often referred to as a “silent killer” because it does not signal any warning signs or symptoms, especially during its early stages of development. Consequently, many individuals go undiagnosed and become at risk for heart attack or stroke, two leading causes of death.

Consider taking Kidney Support Drops™ with Strauss Heartdrops®

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

Kidney Support Drops™ contain a synergistic blend of herbs used to help support healthy kidney function and a healthy urinary tract.

- Gravel Root is used Traditionally in Herbal Medicine to help maintain kidney health and function.
- Juniper berry and its essential oil are used Traditionally in Herbal Medicine to help maintain healthy urinary flow.
- Goldenrod is also used Traditionally in Herbal Medicine to help promote urination, drain water, relieve occasional edema, and to also nourish and strengthen the kidneys.
- Uva Ursi leaf is specifically indicated for bladder and kidney health helping to soothe, strengthen and tonify.

Supplement Facts – Serving size: 1.0 ml (0.03 fl.oz.)

Amount per serving: Proprietary blend: 1.0 g extracts of: Juniper fruit, Golden rod herb top, Uva ursi leaf, Marshmallow root, Ginger root, Parsley leaf, Gravel root, Horsetail herb top, Nettle leaf, Goldenseal root, Lobelia leaf, Cayenne fruit. **Other ingredients:** Water, Ethanol, Glycerine, Spearmint flavoring, Juniper berry oil

Strauss Bladder Support Drops™

Used in herbal medicine to help support a healthy bladder and urinary tract functions.*

Diuretics are substances that help the body get rid of salts and excess water via increased urine production.

"My recurring bladder infections have finally stopped and my bladder control has improved greatly." – Natalie

Noticeable results in 1- 4 weeks.

Did You Know?

Research shows that Stress Incontinence affects up to 50% of both men and women ages 19-55 and more as the age increases.

Over Active Bladder Syndrome (OAB) is a chronic, challenging condition consisting of urinary storage-related symptoms (urinary urgency, urinary frequency, urgency incontinence and nocturia) demonstrated to have an impact on the quality of life for both men and women.

A urinary tract infection (UTI) is an infection in any part of your urinary system — your kidneys, ureters, bladder and urethra. Most infections involve the lower urinary tract — the bladder and the urethra.*

Many things can affect one's bladder health. However, certain signs may mean a bladder problem.

Some signs and symptoms are:

- weak stream while urinating
- difficulty voiding the bladder
- cloudy urine or blood in urine
- sudden and urgent need to urinate
- frequently waking up at night to urinate
- infection; pain or burning while urinating
- leaking urine (urinary incontinence)
- passing only small amounts of urine after strong urges to urinate

Supplement Facts – Serving Size: 1.0 ml (0.03 fl.oz.)

Amount per serving: Proprietary blend 1.0g extract of Birch leaf, Bilberry leaf, Uva ursi leaf, Juniper fruit, Saw Palmetto fruit, White willow bark, Linden flower, Nettle Leaf, Corn silk stigma, Goldenseal root **Other ingredients:** Water, ethanol, glycerine, natural spearmint flavoring

Strauss Prostate Support Drops™

Helps support a healthy urinary tract and urinary flow.*

Our synergistic blend of traditional herbal ingredients provides a safe, natural and effective formula to support a healthy prostate.

Consider taking Prostate Support Drops™ with Bladder Support Drops™

Did You Know?

Benign prostatic hyperplasia affects about 50 percent of men between the ages of 51 and 60 and up to 90 percent of men older than 80.

Men with the following factors are more likely to develop benign prostatic hyperplasia (BPH):

- age 40 years and older
- lack of physical exercise
- erectile dysfunction
- family history of benign prostatic hyperplasia
- having extra fat on your abdomen (abdominal obesity)
- medical conditions such as obesity, heart and circulatory disease and type 2 diabetes

Signs and symptoms of BPH start when the enlarged prostate puts pressure on the urethra and bladder.

This can narrow (constrict) or block the urethra, which can cause changes in bladder habits such as the following lower urinary tract symptoms:

- difficulty passing urine
- blood in the urine
- frequent urination (urinary frequency), especially at night

- a strong or sudden urge to urinate (urinary urgency)
- weak or slow urine stream
- being unable to empty the bladder completely, which can lead to urinary tract infections and bladder stones
- difficulty starting the urine stream (straining)
- difficulty controlling the bladder (incontinence), which can cause urine to leak and dribble

Supplement Facts – Serving size: 1 ml (0.03 fl.oz.)

Proprietary blend 1.0 g extracts of Uva Ursi leaf, Birch leaf, Goldenseal root, Juniper fruit, White willow bark, Saw palmetto fruit, Linden leaf & flower, Nettle leaf, Bilberry leaf, Corn silk stigma & style **Other ingredients:** Water, Ethanol, Glycerine, Spearmint flavoring

Recommended Dose: take 1 ml to 3 ml, 3 times per day

“Prostate Relief. This is great for any men suffering from enlarged prostate.”

Strauss Woman's Wonder™ Drops

Menstrual and Menopausal support.*

An effective plant-based formula for women's health:

- supports relief from painful symptoms of PMS, including cramping, bloating, restlessness, and mood changes.
- helps women cope with the natural stresses placed on the body during your period.
- multi symptom hormonal support

Woman's Wonder is a liquid combination product containing extracts of 11 different naturally-sourced herbs with a long history of use in supporting a healthy menstrual cycle, balanced energy, mood levels, and hormonal health.

The Woman's Wonder formulation was designed to provide a safe, balanced product for self-use. The Woman's Wonder formulation is safe and effective when taken as recommended for its intended uses/purposes.

Consider taking Strauss Woman's Wonder™ Drops with Strauss Heartdrops®.

Did You Know?

Period pain, or dysmenorrhea, is a common experience for many during menstruation. Around 80% of women experience period pain at some stage in their lifetime. You can suffer from period pain from your early teens right up to menopause. Most women experience some discomfort during menstruation, especially on the first day.

In fact, pain is the most common problem that people complain of during their menstrual cycles alongside premenstrual symptoms including bloating, mood swings, tender breasts, swollen stomach, lack of concentration, tiredness, and clumsiness.

Directions for use (Menstrual Support): Shake well. As a dietary supplement adult females take 3 ml orally 3 times daily as indicated on the graduated dropper. Take beginning 1 day before menstruation, and for a maximum of 3 days.

Directions for use (Menopausal Support): Shake well. As a dietary supplement adult females take 3 ml orally once daily as indicated on the graduated dropper.

For occasional use only. Contraindicated in pregnancy or in those planning a pregnancy.

Supplement Facts – Serving size: 3.0 ml (0.09 fl.oz.)

Servings per container: 33 Amount per serving: Proprietary blend 3.0 g extracts of: Blessed Thistle Herb Top, Squawvine Herb Top, Raspberry Leaf, Crampbark, Uva Ursi Leaf, Dong Quai Root, Ginger Root, Lobelia Herb Top, Marshmallow Root, Goldenseal Root, False Unicorn Root. **Other ingredients:** Water, Ethanol, Glycerine, Spearmint flavoring

Strauss ColdStorm® Drops

Helps support a healthy respiratory system.*

The only bottle you need for the **WHOLE FAMILY!**

Nursing Mothers**

Toddlers

Kids

Adults

Seniors

Supports a healthy respiratory system

Common colds are the main reason that children miss school and adults miss work. While winter and spring are the most common times people get sick, you can get a cold anytime of year. Colds usually last 7-10 days and adults usually catch 2-3 colds per year and children catch even more.

Catarrh is a build-up of mucus in an airway or cavity of the body. It usually affects the back of the nose, the throat or the sinuses and can lead to:

- reduced sense of smell and taste
- constant need to clear your throat
- the feeling that your throat is blocked
- blocked or stuffy nose that you can't clear
- persistent cough
- a headache or facial pain
- crackling sensation in your ear and some temporary hearing loss
- runny nose and the feeling of mucus running down the back of your throat

"I have been taking the Cold Storm and Cardio Support and feel great. They help when I feel like I am coming down with something and overall is a great product. I highly recommend these products." – Tina

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

These symptoms can be frustrating to live with and may affect your sleep, making you feel tired.

Usage: Adults, nursing mothers & adolescents take 2-3 ml/3 times daily. Children 2-9 Years old; take 1 ml up to 3 times daily. Shake well. Can dilute in juice, yogurt or honey.

Supplement Facts – Serving size: 3ml (0.01 fl. oz)

Amount per serving: Proprietary blend 3.0 g extracts of garlic bulb. **Other ingredients:** Glycerine, ethanol, cherry juice, natural mint flavor

Recommended Dose: take 1 ml to 3 ml, 3 times per day

**Safe for nursing mothers and toddlers.

Strauss Travel Bug® Drops

Helps support a healthy immune system and stomach function.*

Travel Bug® Drops are easy-to-take liquid drops with a refreshing ginger mint flavor for people on the go!

Made with fresh garlic bulb and fresh ginger, this product is suitable for age 6 and up, and can be used daily.

Did You Know?

Motion sickness is very common. About 1 in 3 people are considered highly susceptible to motion sickness. However, almost everyone will become motion sick if exposed to motion that is intense enough. Motion sickness is more common in some groups of people than in others, for reasons that are not fully understood.

Indigestion, also known as Dyspepsia is a common condition, affecting about 1 in 4 people in the United States each year. Of those people with indigestion who see a doctor, almost 3 in 4 are diagnosed with functional dyspepsia.

Ginger is traditionally used in Herbal Medicine to help relieve digestive upset including lack of appetite, nausea, digestive spasms, indigestion, dyspepsia and flatulent colic. Helps support a healthy immune system and stomach function.*

Garlic and ginger are traditionally used in Herbal Medicine as an expectorant and anti-tussive to help relieve symptoms associated with upper respiratory tract infections and catarrhal conditions, including nasal congestion, coughs, colds, and bronchitis.

Travel Bug® Drops are great for road trips, an ideal addition to your backpack when you go camping or fishing, your carry-on luggage when you are travelling for business or on a family vacation, or in your purse or bag for everyday life.

Supplement Facts – Serving size: 2ml (.07 fl.oz.)

Serving per container: 50 **Amount per serving:** **Proprietary blend** 2.0g extracts of Fresh garlic (bulb), Fresh Ginger (rhizome), Ginger extract (rhizome) **Other ingredients:** Glycerine, ethanol, spearmint flavor, citric acid **Recommended Dose:** Adults, adolescents and children: (6 years and older): 2 ml 1-4 times per day. For anti-nausea use, take a single dose 30 minutes before travel and every 4 hours after that, as needed. Shake well before use.

Recommended Dose: take 1 ml to 3 ml, 3 times per day

Stay Happy on Your Adventure!

Strauss Immune Support Drops™

Used to help support a healthy immune system.*

Immune Support Drops™ are a blend of naturally sourced herbs including Myrrh Gum, Goldenseal Root, Cayenne Fruit, and Vitamin C used to help support a healthy immune system.*

Easy to take, liquid drops in an ideal travel size with a Refreshing Spearmint flavor!

Immune and Respiratory Health

Whether you work in an office, take public transit, or travel for business, coughs, colds, and bronchitis are easy to pick up and can leave you feeling terrible. Immune Support Drops™ support healthy immune function.

Consider taking with Strauss Heartdrops® for additional immune support*

Did You Know?

The design of our immune system is complex and influenced by an ideal balance of many factors, not just diet, and especially not by any one specific food or nutrient. However, a balanced diet consisting of a range of vitamins and minerals, combined with healthy lifestyle factors like adequate sleep, proper gut health, exercise and low stress, most effectively primes the body to fight infection and disease.

What factors can depress our immune system?

- Older age
- Environmental toxins
- Excess weight
- Poor diet
- Chronic diseases
- Chronic mental stress
- Lack of sleep and rest

8 Steps to Help Support a Healthy Immune System

1. Eat a balanced diet
2. If a balanced diet is not readily accessible, taking herbals and a multivitamin can help
3. Don't smoke or quit if you do
4. Drink alcohol in moderation
5. Perform moderate regular exercise
6. Aim for 7-9 hours of sleep nightly
7. Aim to manage stress
8. Wash hands throughout the day

Usage: Shake well. As a dietary supplement, adults take 1 ml orally 3 times daily as indicated on the graduated dropper.

Supplement Facts – Serving size: 1ml (0.03 fl.oz.) **Servings per container:** 33 **Proprietary Blend:** Extracts of Myrrh (gum) Goldenseal (root & rhizome), Cayenne (fruit); Vitamin C (Ascorbic Acid)

Other ingredients: Water, Ethanol, Glycerine, Spearmint Flavor

Quality Control

Don Schulz, B.Sc. Compliance Manager
Travis Huyghebaert, B.Sc. Compliance Associate

Since its inception in 1980, Strauss Naturals® has been committed to the manufacturing of consistent, high quality herbal blends that offer maximum therapeutic value to those with compromised health.

The Company has relied on eight generations of herbal knowledge and experience in formulating and standardizing its products.

We're All a Little Different

Generally, people who take Strauss Heartdrops® are impressed and start recommending them to friends and loved ones in a very short time. As body types differ, so can the results. Many people experience effects in a few days, while for others it takes weeks, and

for some it takes a few months. Our customer satisfaction is over 98%. Quantity and frequency are the keys for maximum success.

Stay Active

Activity certainly improves circulation and the distribution of the Strauss Heartdrops® in your circulatory system.

Guarantee | FAQ

100% NO HASSLE SATISFACTION GUARANTEE

We offer a **100% No Hassle, Satisfaction Guarantee on all Strauss Naturals products.** If you are not completely satisfied, please call our super friendly Customer Service Team toll free **1-866-478-2873** and we'll be happy to address your concerns and refund your purchase in a timely manner; or help you with the store you purchased it from.

FAQ

1. Is it true that Heartdrops have a strong flavor?

Garlic has always been a herb with a robust flavor. For this reason, we now offer two flavors – Cinnamon and Original.

2. How long and how often do I take Heartdrops?

We suggest you take Strauss Heartdrops 3 times daily for a minimum of 3 months and ideally for one year. After that time, you may choose to continue on a maintenance schedule by reducing the daily amount.

3. Can I return it if I don't like the taste?

Yes, but we strongly suggest that if you are struggling with the taste, try taking the minimum dose or dilute it in a little liquid, water or juice until you get used to it.

4. Why is ethyl alcohol used in your products?

The alcohol that is used in all Strauss products, including Heartdrops®, is ethanol. It is high quality, extremely pure, derived from natural NON-GMO corn that is distilled and purified such that it is corn and gluten free, and 200 proof. All herbal companies manufacture their tinctures with ethanol. Ethanol is considered safe and is the same alcohol present in red wine. The alcohol is present for two reasons, one as a catalyst to aid body absorption of the herbal components; two as a preservative for the herbs that helps prevent microbial contamination.

5. Would a Certified Physician recommend these?

We currently do have Registered Natural Health Practitioners, Chiropractors and Naturopathic doctors that recommend and incorporate Strauss products with their clients.

6. Can I take it with my prescription medicines?

We recommend 1-2 hours apart. Please always consult with your health care practitioner prior to use if you are taking other medications and/or supplements.

7. How many calories are in Heartdrops?

As Strauss Heartdrops® are a dietary supplement, we don't conduct nutritional content testing. However, there are approximately 6 calories per 2.5 ml serving size due mainly to the ethyl alcohol present.

8. Is there a shelf-life or expiry date of your products?

All Strauss Naturals herbal formulas have a 5 year shelf life from their date of lab testing and manufacture. This ensures that you will always get a product at its best. The expiry date for our products can be found on the back of the bottle next to the Lot Number. We always recommend that you store our products away from children and out of direct sunlight. Do not refrigerate. We suggest you keep it on the counter where you'll see it and use it every day.

Strauss Naturals Commitment

- ✓ At Strauss Naturals we are committed to making natural health products that work, and we are motivated by improving the length and quality of the lives of our customers above all else.
- ✓ As a leader in the Natural Health industry, you will find our formulas to be effective, fast-acting, and a welcome addition to your lifestyles.
- ✓ At Strauss Naturals, we bring multiple generations of experience producing formulas that improve our customers lives and health. Our unique extraction methods allow us to capture not only the key herbal compounds studied in clinical research but also the full spectrum of lesser known, or even undiscovered, components that work together holistically to deliver the results you are looking for in an herbal preparation. For this reason, our formulas consistently outperform the competition. **We guarantee it.**
