## Strauss Naturals - A Family Business

---

- A Trusted Tradition since 1980. Canadian company in Kamloops, British Columbia.
- The now famous Strauss Heartdrops® were created for Jim Strauss Sr. in 1980 after he suffered a heart attack. Over 40 years ago, Jim and his son Peter developed Heartdrops® from knowledge gained from generations of family herbalists. Jim never had heart surgery. He never took pharmaceutical drugs and he worked for another 25 years.
- Strauss Heartdrops® remains the flagship formula and helps thousands of people improve circulation, increase their energy and return to health.
- The four original centuries old formulas are back by popular demand – Cardio Calm Drops, Kidney & Blood Pressure Drops, Prostate Drops and Bladder Drops. All are highly effective and carry the same 100% satisfaction money back guarantee.
- All Strauss formulas are holistic using synergistic herbs.
- Originally tested by organoleptic method by the Strauss Family to ensure the highest quality of ingredients are used for greatest efficacy.
- Our unique extraction methods allow us to capture not only the key herbal compounds studied in clinical research but also the full spectrum of lesser known or even undiscovered components that work together holistically to deliver the results you are looking for in an herbal preparation. Products are third-party laboratory tested for strength and purity.
- Our premium brands are manufactured in our GMP Certified, Canadian NNHPD licensed and USFDA inspected facility.

Founders,  
Peter Strauss & Jim Strauss Sr.
